- 5) Alcohol will be available to purchase on the day to accompany your Afternoon Tea should you wish (over 18s only, ID may be required).
- 6) **GLUTEN FREE & ALLERGENS**  
 As a coffee shop (rather than a café or restaurant); we have a small preparation area and as such we prepare items for those with allergens in a separate small section of this. Our preference to accommodate this is to prepare dishes for those with allergens/intolerances in advance of all other food preparation as best we can. Because of this, we can only offer a small number of options to accommodate specific dietary and allergen requirements.

We are sorry but there may be occasions where we unfortunately do not have the space or range of food items to accommodate specific customer dietary and allergen requirements.

We are unable to accommodate a traditional Gluten Free Afternoon Tea with gluten free bread or cakes. When we design our menus; we do this so to eliminate cross contamination. EG our gluten free soup and cakes are bought in already prepared - we do not make/bake these. For events that we order products in especially for; such dietary considerations are prepared first.

In addition; as a small business with a limited day to day range (again due to size and storage) we order in all food especially for events as we do not normally have such items on the menu. Thus when we design the menu, we also have to take into consideration the cost of products to charge the customer and unfortunately a full gluten free afternoon tea option is not make cost effective for the odd request that we receive. We have offered the option in the past of a salad and this has proved popular and so with the number of bookings we expect; this option is the best we can offer. Until we can build a bigger kitchen. Thank you for your understanding.

- 7) At the time of booking; if you are ordering on behalf of someone with an allergy or intolerance; you will be required to confirm that you have communicated their special requests & requirements with us.
- 8) **Menu Changes** - We may from time to time; due to supply, need to change items on the proposed menu. Please ensure you include any dietary requirements at the time of booking.

- 2) After this time unfortunately we are unable to offer a full refund as food orders will have been placed. We understand that circumstances arise, often beyond anyones control.
